How to reset your Linda County Water payment portal account password

Go to **https://lindawater.azurewebsites.net** in a web browser.
Click on the ***FORGOT PASSWORD? CLICK HERE TO GENERATE A RESET PASSWORD EMAIL*** link below the **Password** field and above the **LOG IN** button.

The **Forgot Password** box will display.

Enter your portal username in the **Username** field and click the **EMAIL LINK** button.

If the username entered doesn't match any registered username you will get the error below.

Once the password reset email has been sent the following will display.
